

# VIRGINIA WATER WELL ASSOCIATION VE: BUSINESS TRACK

2024 | vagroundwatershow.com | Vocational Education + Continuing Education

Supporting our  
Water Professionals

Company owners, office assistants, managers and those that help keep the business flowing from an administrative standpoint - we invite you to join us. This business track was created to help provide more insight and guidance where desired as an added benefit to your membership. Not a member? No problem. These courses are available for you as well, you will just have to pay for them. Each course is \$40 and registration will be ongoing up to the morning of each course. If you are interested, save the dates and register today!

**Thursdays @ 8 AM - 10 AM**

## AUGUST

- 1 08/08/2024 ERI & Groundwatering Modeling 2.0 CEU**  
 Brent Waters, **WSP**      This course will provide information on the electromagnetic resistivity mapping for identifying potential areas for groundwater supplies.
- 2 8/15/2024 Pump Basics & Advanced Stray Voltage 2.0 CEU**  
 David Bumbalough,  
**Franklin Electric**      This course will walk participants through the basics of pump design and the groundwork of stray voltage. The second part of the course will go into depth of how stray voltage affects the operating systems for control drives.
